
RTBI Monthly:

Big Waves, Deep Gratitude & Major Steps Ahead!

Happy July, RTBI Family!

As July comes to a close, we are looking back with immense gratitude and looking forward with high expectation. This month was packed with incredible moments—from an unforgettable day on the lake at our adaptive ski clinic to making major strategic strides behind the scenes for StirringWaters.

God is opening doors, bringing key partners alongside us, and making a way so that no one gets left on the deck. Here is what has been happening and where we are headed next!

Summer Ski Clinic Success: Pure Joy on the Water!

Our Summer Adaptive Water Ski Clinic was a resounding success! Thanks to our partnership with **Ann's Angels Adaptive Water Ski Foundation**, families enjoyed a 100% free day of freedom and fun on the lake.

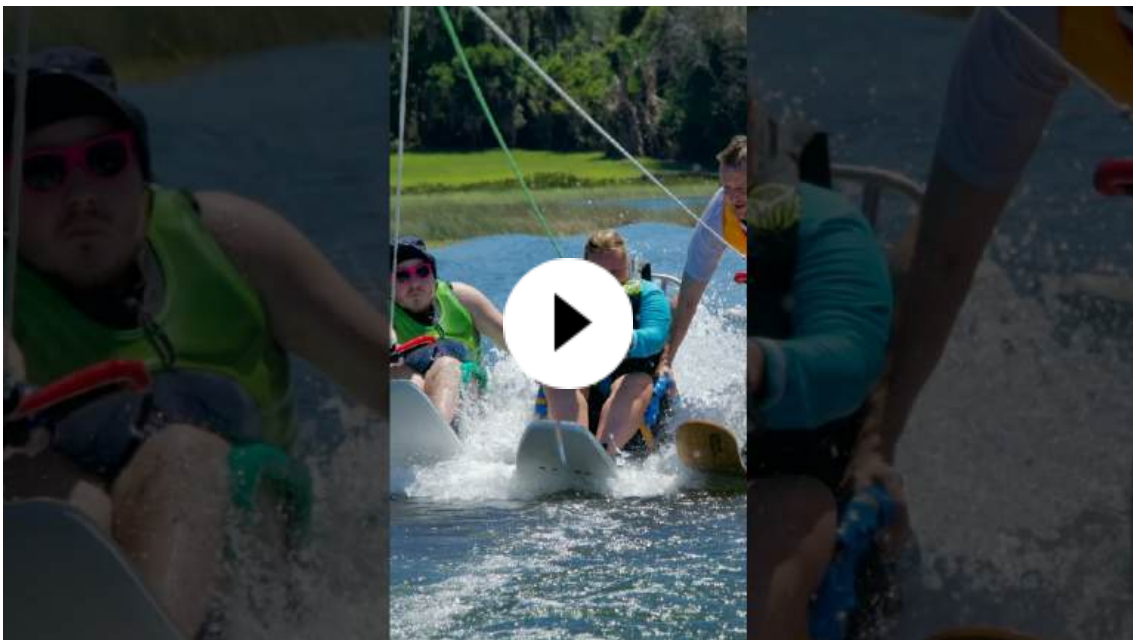

Honoring Our Generous Sponsors & Partners!

Event Sponsors: Citizens Bank & Trust, All Landscape Needs, Kyle with Faneuf Insurance, and Terri Miller with Awesome Solutions LLC.

Goody Bags & Towels: Towels by **Duke Energy**; supplies by **Citizens Bank**, **Advent Health**, and **Swanson Cares**.

Food & Hydration: Lunch discounts by **Harvest Meats** and **Collins Fresh Market**; water/PowerAde from **The All-Veterans Center of Lake Wales**.

Host Venue: Lake Aurora Christian Camp and Retreat Center.

Mobile Calming Corner & Comfort Station: Progressing Fast & Getting Wrapped!

Major progress is happening on our **Mobile Calming Corner & Comfort Station**! We are deeply grateful to

our major Grant Shareholders, **Peace River Operation Round Up** and **Airboaters for Autism**, for their incredible investment in this project, as well as The Mobility Store in Lakeland for their precision lift installation work.

The trailer is currently out for its custom exterior wrap and final interior prep. Keep an eye on your inbox—an official **Ribbon Cutting Ceremony** announcement is coming soon!

StirringWaters Progress: Architect & Contractor Meetings Underway!

While we prepare for fall events, the groundwork for **StirringWaters** is moving forward steadily behind the scenes!

We are excited to share that **formal meetings are officially underway with our architect and general contractor**. Seeing these site plans and structural blueprints take physical shape brings us one step closer to making the complete StirringWaters vision a reality. God is aligning the right leadership and laying a rock-solid foundation for this sanctuary.

So, how can you help us keep this incredible momentum going? **By joining us on the water this October!**

5th Annual StirringWaters Fundraising Paddle The Quest for 50

Mark your calendars for **October 31st** as we take on the beautiful **Winter Haven Chain of Lakes** for our **5th Annual StirringWaters Fundraising Paddle!** What better way to spend Halloween morning than out on the water building momentum for StirringWaters?

To make this year's paddle our most impactful yet, **our Team Captains are set to lead our five 29-foot war canoes, and we are looking for 50 paddlers to fill the seats and raise \$2,500 each!**

Can't be on the water that morning? You can still step up as an online peer-to-peer fundraiser to help us reach our goal! Whether paddling in a canoe or raising funds from land, your support directly moves barriers for families across our community.

A Closing Thought for July

"Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." — **Philippians 1:6**

From watching our Mobile Comfort trailer reach 100% funding to seeing site plans take shape with our architect, we are constantly reminded that God finishes what He starts. Every partner who sponsors an event, every business that steps up, and every paddler who picks up a paddle is a vital part of carrying this work forward. Thank you for believing in the vision and standing with us as we build a community where everyone belongs!

With Gratitude,
The RTBI Family
