Volume 26 Issue 10

Tomorrow We Paddle!

Tomorrow, October 31, we take to the Winter Haven Chain of Lakes for our **5th Annual StirringWaters Fundraising Paddle!**

Five 29-foot Voyageur canoes, filled with 50 paddlers of varying abilities united by a common purpose, will travel approximately 5.5 miles through the beautiful lakes of Winter Haven. With every stroke, we're working toward something much bigger than a day on the water.

We're raising funds to bring **StirringWaters** to life at Lake Aurora Christian Camp—an aquatic experience intentionally designed for individuals and families living with disabilities. With a lazy river, swimming pool, and splash pad, StirringWaters will be a place where families can enjoy the water together, without the barriers that too often leave someone watching from the sidelines.

$1 Million — Our Next Major Milestone!

Our immediate goal is to reach $1 million in funding so we can break ground and begin construction on StirringWaters!

This year's fundraising paddle has a goal of **$225,000**, bringing us closer to that critical milestone.

Paddling in Memory of Scott Redmon

This year's paddle holds special meaning as we dedicate the event to the memory of **Scott Redmon**, who generously gave his time and professional talents as a landscape architect to help shape the StirringWaters vision.

Scott's contributions will continue to be part of this project for generations to come. We are honored to celebrate his life and the difference he made.

Our Story on WFLA News Channel 8!

We are especially grateful to **Staci DaSilva and WFLA News Channel 8** for sharing the story behind this year's paddle, including a heartfelt tribute to Scott and the vision we're working to make a reality.

Every gift, large or small, moves us closer to making StirringWaters a reality

Closing Thought: When the Water Is Stirred

"Sir, I have no man to put me into the pool when the water is stirred up..." — John 5:7 (NKJV)

For 38 years, a man waited beside the Pool of Bethesda. When Jesus asked if he wanted to be made well, the man explained that he had no one to help him into the water.

That moment in Scripture is the inspiration behind **StirringWaters** and a reminder of why our mission matters.

As October comes to a close, we are reminded that no one should have to sit on the sidelines simply because the barriers are too great to overcome alone.

Through your prayers, generosity, and helping hands, we're working toward a future where individuals and families living with disabilities don't have to wait for someone to make room for them. We're creating an aquatic experience intentionally designed with them in mind from the very beginning.

Thank you for helping us turn a vision inspired by Scripture into a place of joy, opportunity, and belonging.
